licence, or for a motor cycle driver's licence, has
made a declaration in the prescribed form that he
is not suffering from any such disease or physical
disability as may be specified in the form, or any
other disease or physical disability which would
be likely to cause the driving by him of a motor
vehicle, being a vehicle of such class or description as he would be authorized by the licence to drive, to be a source of danger to the public;

(vii) in the case of an applicant for a general driver's licence has produced to the Traffic Area Authority a medical certificate from a registered medical practitioner, in the prescribed form, certifying that he is not suffering from any such disease or physical disability as may be specified in the form, or any other disease or physical disability which would be likely to cause the driving by him of a motor vehicle, being of such class or description as he would be authorized by the licence to drive, to be a source of danger to the public:

Provided that the provisions of this subsection (other than the provision for the payment of the licensing fee) shall not apply to a person making only a temporary stay in Jamaica if he produces to the Traffic Area Authority a driver's licence issued to him not longer than twelve months before by the competent Authority in the country from which he comes:

Provided further that the Licensing Authority may in any case require the holder of such a licence to comply with all or any of the provisions of this subsection.

(2) If any person for the purpose of obtaining the grant of any licence to himself or any other person, or for the purpose of obtaining a certificate of competence, knowingly makes any false statement or withholds any material information, he shall be guilty of an offence and shall be liable to a penalty not exceeding twenty thousand dollars, and in default of payment thereof to imprisonment, with or

(a) any function which, pursuant to that subsection, is vested in a Traffic Area Authority may be performed by the person authorized as aforesaid; and

(b) any reference therein to a Traffic Area Authority shall be construed to include a reference to a person so authorized.

19.—(1) A person shall be disqualified for obtaining a driver's licence—

[The inclusion of this page is authorized by L.N. 96/1998]
(c) if he is disqualified by virtue of any of the provisions of paragraph (a), (b) or (c) of subsection (4) of section 59A.

(2) In any proceedings the fact that a driver's licence has been granted to a person shall be evidence that that person for the purpose of obtaining that licence made a declaration or produced a medical certificate, as the case may be, that he was not disqualified for holding or obtaining the licence.

(3) For the purposes of subsection (1) (a) two or more licences shall, unless the contrary is proved by the licensee, be regarded as having been granted to the same person if his photograph appears thereon notwithstanding that the licences are in different names.

19A.—(1) A Licensing Authority shall refuse to grant or renew a driver's licence in respect of any person if—

(a) the applicant is, for any reason, not entitled to be granted a licence; or

(b) the applicant is, pursuant to section 19, disqualified for holding or obtaining a driver's licence.

(2) Where it appears to the Licensing Authority that there is reason to believe that subsection (1) applies to any person who is the holder of a driver's licence or a provisional licence, as the case may be, the Licensing Authority shall revoke or suspend as the case may require the licence held by such person.
(3) Where, pursuant to this section, the Licensing Authority refuses to renew a licence or revokes or suspends a licence held by any person, the Licensing Authority shall give notice of such refusal, suspension or revocation, as the case may be, and the reasons therefor to the holder of the licence who shall, on receipt of such notice, without prejudice to any appeal to the Road Traffic Appeal Tribunal, surrender the licence forthwith to the Licensing Authority.

(4) Any person who fails to surrender a licence as required under subsection (3) shall be guilty of an offence and shall be liable on first conviction to a fine not exceeding ten thousand dollars or to imprisonment for a term not exceeding three months and in the case of a second or subsequent conviction to a fine not exceeding fifteen thousand dollars or to imprisonment for a term not exceeding six months.

20.—(1) Where a Licensing Authority refuses to grant a driver’s licence of any class on the ground that the applicant is suffering from any such disease or disability as is mentioned in paragraphs (vi) and (vii) of subsection (1) of section 18—

(a) the Licensing Authority may grant to the applicant a licence limited to drive an invalid carriage if the Traffic Area Authority in whose traffic area is situated the licensing area certifies to the Licensing Authority that the applicant is fit to drive such a carriage;

(b) the applicant may, except in the case of such diseases and disabilities as may be prescribed, on payment of the prescribed fee, claim to be subjected to a test as to his fitness or ability to drive a motor vehicle of any such class or description as he would be authorized by the licence to drive and if the Traffic Area Authority in whose traffic area

[The inclusion of this page is authorized by L.N. 3/2001]
the licensing area is situated certifies to the Licensing Authority that the applicant has passed the prescribed test and is not otherwise disqualified, the grant of the licence shall not be refused by reason only of the provisions of paragraphs (vi) and (vii) of subsection (1) of section 18, so, however, that if the Traffic Area Authority certifies to the Licensing Authority that the test of the applicant proves his fitness to drive vehicles of a particular construction or design only, the licence shall be limited to the driving of such vehicles;

(c) if on the first application for the grant of a driver’s licence by a person who at the commencement of this Act is the holder of a driver’s licence under any Law now repealed, an applicant who is suffering from a disease or disability, other than a disease or disability prescribed as aforesaid, makes a declaration that notwithstanding his disease or disability he has during the six months immediately preceding the application been in the habit of driving a motor vehicle of any such class or description as he would be authorized by the licence to drive and that the disease or disability from which he suffered did not cause the driving of such a motor vehicle by him to be a source of danger to the public, the licence shall not be refused by reason only of such disease or disability being a disease or disability other than a disease or disability prescribed as aforesaid;

(d) if on the application for the grant of a licence the applicant makes a declaration that on the occasion of a previous application by him a licence was granted to him after passing such a test as is mentioned in paragraph (b), or on making such a declaration as is mentioned in paragraph (c), a

[The inclusion of this page is authorized by L.N. 3/2001]
further test will not be required unless from the declaration as to physical fitness made by him for the purposes of his application, or from information received by the Licensing Authority, it appears that the disease or physical disability from which the applicant is suffering has become more acute or that the applicant is suffering from some disease or disability not disclosed on the previous occasion or contracted since that occasion.

(2) If it appears to a Traffic Area Authority that there is reason to believe that any person who holds a driver's licence is suffering from a disease or physical disability likely to cause the driving by him of a motor vehicle, being a vehicle of any such class or description as he is authorized by the licence to drive, to be a source of danger to the public, and on enquiry into the matter the Authority is satisfied that the licence holder is suffering from such a disease or disability as aforesaid the Authority shall certify accordingly in the prescribed form to the Licensing Authority who granted the licence, and such Licensing Authority shall, whether or not the licence holder so suffering as aforesaid has previously passed a test under this section, after giving to the licence holder notice of the intention of the Authority so to do, revoke the licence and the licence holder shall on receipt of such notice deliver the licence to the Licensing Authority for cancellation:

Provided that the licence holder may, except in the case of such diseases and disabilities as may be prescribed, claim to be subjected to a test as to his fitness or disability to drive a motor vehicle, and if he passes the prescribed test the licence shall not be revoked.

21.—(1) There shall be constituted a Road Traffic Appeal Tribunal which shall consist of a chairman and two other members to be appointed by the Minister.

[The inclusion of this page is authorized by L.N. 42/1995]
(2) The members of the Road Traffic Appeal Tribunal shall, subject to the provisions of subsection (6), hold office for such period, not exceeding two years, as the Minister may determine, but shall be eligible for reappointment.

(3) The Minister may appoint any person to act in the place of the chairman or any other member of the Road Traffic Appeal Tribunal in case of the absence or inability to act of the chairman or other member.

(4) Any member of the Road Traffic Appeal Tribunal may at any time resign his office by instrument in writing addressed to the chairman thereof, who shall forthwith cause it to be forwarded to the Minister, and from the date of the receipt by the chairman of such instrument such member shall cease to be a member of the Road Traffic Appeal Tribunal.

(5) The appointment, removal, death, departure from the Island or resignation of any member of the Road Traffic Appeal Tribunal shall be notified in the *Gazette*.

(6) The Minister may make rules prescribing the procedure to be followed upon appeal to the Road Traffic Appeal Tribunal.

(7) Where any person is aggrieved—

(a) by refusal of the Transport Authority to grant or renew a licence; or

(b) by the revocation or suspension of a licence; or

(c) by the refusal of the Transport Authority to hear any person who makes an objection to the grant of the application for a licence in respect of a stage or express carriage service pursuant to section 63 (7),

he may, after giving notice to the Transport Authority of his intention so to do, appeal to the Road Traffic Appeal Tri-

[The inclusion of this page is authorized by L.N. 42/1995]
tribunal, which may make such orders as it thinks fit, and, as regards an appeal pursuant to paragraph (c), the Tribunal may, regardless of the merits of the decision of the Transport Authority on the matter order the Authority to hear any person who has made an objection if the Tribunal in its discretion, thinks it desirable, in all the circumstances, for that person to be heard by the Authority.

(8) Any order made pursuant to subsection (7) shall be final and conclusive and shall bind the Transport Authority.

22. Any person driving a motor vehicle on a road or accompanying a learner in a motor vehicle on a road or a learner in a motor vehicle on a road shall, on being so required by a constable, produce his driver's licence for examination so as to enable the constable to ascertain the name and address of the holder of the licence, the date of issue and the Licensing Authority by which it was issued, and if he fails to do so he shall be guilty of an offence:

Provided that subject to section 116 (1) where a person aforesaid is unable to produce his driver's licence when so required but is able to satisfy the constable by other means as to his name, address and identity, that constable shall, if otherwise satisfied as to the credentials of that person, permit him to produce such licence in person within five days thereafter at such Police Station as may be specified by that person at the time its production was required, and if the licence is so produced that person shall not be convicted of an offence under this section.

23.—(1) Any court before which a person is convicted of any criminal offence in connection with the driving of a motor vehicle and any court before which a person is convicted of any offence whatsoever under this Act or the regulations made thereunder, in addition to any penalty for such offence—

[The inclusion of this page is authorized by L.N. 42/1995]
(a) may in any case, except where otherwise expressly provided by this Part, and shall, where so required by this Part, order him to be disqualified for holding or obtaining a driver's licence for such period as the court thinks fit; and

(b) may in any case, and shall where a person is by virtue of a conviction disqualified for holding or obtaining a licence, or where an order so disqualifying any person is made or where so required by this Part, order that the particulars of the conviction and of any disqualification to which the convicted person has become subject shall be endorsed on any licence held by the offender:

Provided that, if the court thinks fit, any disqualification imposed under this section may be limited to the driving of a motor vehicle of the same class or description as the vehicle in relation to which the offence was committed.

(2) A person who by virtue of an order of a court under this Part is disqualified for holding or obtaining a driver's licence may appeal against the order in the same manner as against a conviction and the court making the order may if it thinks fit, pending the appeal, suspend the operation of the order.

24.—(1) Where a person who is disqualified by virtue of a conviction or order under this Part is the holder of a driver's licence, the licence shall be suspended so long as the disqualification continues in force.

(2) A licence suspended by virtue of this Part shall during the time of suspension be of no effect.

Provided that, where an application under this subsection is refused, a further application thereunder shall not be entertained if made within three months after the date of the refusal.

If the court orders a disqualification to be removed, the court shall cause particulars of the order to be endorsed on the licence, if any, previously held by the applicant and the court shall in any case have power to order the applicant to pay the whole or any part of the costs of the application.

(4) If any person who, under the provisions of this Part, is disqualified for holding or obtaining a driver’s licence applies for or obtains a licence while he is so disqualified, or if any such person while he is so disqualified drives a motor vehicle, or, if the disqualification is limited to the driving of a motor vehicle of a particular class or description, a motor vehicle of that class or description, on a road, that person shall be guilty of an offence and shall be liable on conviction thereof to imprisonment, with or without hard labour, for a term not exceeding six months or if the court thinks that, having regard to the special circumstances of the case, a pecuniary penalty would be an adequate punishment for the offence, to a penalty not exceeding ten thousand dollars, and in default of payment to imprisonment with or without hard labour for a term not
exceeding three months or to both such imprisonment and such penalty, and a licence obtained by any person disqualified as aforesaid shall be of no effect.

(5) Notwithstanding any enactment prescribing the time within which proceedings may be brought before a court of summary jurisdiction proceedings for an offence under subsection (4) may be brought—

(a) within a period of six months from the date of the commission of the alleged offence; or

(b) within a period which exceeds neither three months from the date on which it came to the knowledge of the prosecution that the offence had been committed nor one year from the date of the commission of the offence, whichever period is the longer.

(6) For the purposes of this section, references to orders under this Part include references to orders under the corresponding provisions of any enactment now repealed.

25.—(1) An order that the particulars of any conviction or of any disqualification to which the convicted person has become subject are to be endorsed on any driver's licence held by the offender shall, whether the offender is at the time the holder of a licence or not, operate as an order that any licence he may then hold or may subsequently obtain, shall be so endorsed until he becomes entitled under the provisions of this section to have a licence issued to him free from endorsement.

(2) Where an order is made requiring any driver's licence held by an offender to be endorsed, then—

(a) if the offender is at the time the holder of a driver's licence, he shall, if so required by the court, produce the licence within five days or such
longer time as the court may determine for the purpose of endorsement; and

(b) if he is not then the holder of a licence, but subsequently obtains a licence, he shall within five days after so obtaining the licence produce it to the court for the purpose of endorsement,

and if he fails so to do, he shall be guilty of an offence; and if the licence is not produced for the purpose of endorsement within such time as aforesaid, it shall be suspended from the expiration of such time until it is produced for the purpose of endorsement.

(3) On the issue of a new driver's licence to any person, the particulars endorsed on any previous licence held by him shall be copied on to the new licence unless he has previously become entitled under the provisions of this section to have a licence issued to him free from endorsements.

(4) If any person whose driver's licence has been ordered to be endorsed and who has not previously become entitled under the provisions of this section to have a licence issued to him free from endorsement applies for or obtains a licence without giving particulars of the order, he shall be guilty of an offence and shall be liable on conviction thereof to imprisonment, with or without hard labour, for a term not exceeding three months or to a penalty not exceeding ten thousand dollars, and in default of payment to imprisonment with or without hard labour for a term not exceeding three months and any licence so obtained shall be of no effect.

(5) Where a person in respect of whom an order has been made under this Part, or the corresponding provisions of any enactment now repealed requiring the endorsement of any licence held by him, has during a continuous period of three years or upwards since the order was made had no such order made against him, he shall

[The inclusion of this page is authorized by L.N. 3/2001]
be entitled, either on applying for the grant of a licence under this Part or subject to payment of a fee of ten dollars, and subject to surrender of any subsisting licence, at any time, to have issued to him a new licence free from endorsements:

Provided that, in reckoning the said period of three years, any period during which the person was by virtue of the order disqualified for holding or obtaining a driver's licence shall be excluded.

(6) Where a court orders particulars to be endorsed on a driver's licence held by any person, or where by a conviction or order of a court a person is disqualified for holding or obtaining a licence, the court shall send notice of the order to the Traffic Authority in whose traffic area that person resides, and in a case where a person is so disqualified, shall also on the production of the licence for the purpose of endorsement retain the licence and forward it to such Traffic Authority, and that Authority shall keep the licence until the disqualification has expired or been removed and the person entitled to the licence has made a demand in writing for its return to him.

Where the disqualification to which a person has become subject is limited to the driving of a motor vehicle of a particular class or description, the Traffic Authority to whom that person's licence has been forwarded under this subsection shall forthwith after the receipt thereof cause the appropriate Licensing Authority to issue to that person a new licence on which there shall be indicated in the prescribed manner the class or description of vehicle which the holder of the licence is not thereby authorized to drive, and the licence so issued shall remain in force either for the unexpired period of the original licence or for the period of disqualification, whichever is the shorter.

(7) Where on an appeal against any such order the appeal is allowed, or where any such conviction is quashed
the court by which the appeal is allowed or the conviction is quashed, shall send notice thereof to the Traffic Authority in whose traffic area the person affected by the order or conviction resides and to the Licensing Authority who issued the licence.

Provisions as to Driving and Offences in connection therewith

(3) A person charged under this section with the offence of driving a motor vehicle of any class or description at a speed greater than the maximum speed prescribed in the case of a vehicle of that class or description, shall not be liable to be convicted of the offence solely on the evidence of one witness to the effect that in the opinion of

[The inclusion of this page is authorized by L.N. 3/2001]
the witness the person charged was driving the vehicle at such greater speed.

(4) If a person who employs other persons to drive motor vehicles on roads publishes or issues any timetable or schedule, or gives any directions, under which any journey, or any stage or any part of any journey, is to be completed within some specified time, and it is not practicable in the circumstances of the case for that journey, or that stage or part of the journey, to be completed in the specified time without an infringement of the provisions of this section, the publication or issue of the said time table or schedule, or the giving of the directions, may be produced as prima facie evidence that the employer procured or incited the persons employed by him to drive the vehicles to commit an offence under this section.

27.—(1) If any person drives a motor vehicle on a road recklessly, or at a speed or in a manner which is dangerous to the public, having regard to all the circumstances of the case, including the nature, condition, and use of the road, and the amount of traffic which is actually at the time, or which might reasonably be expected to be, on the road, he shall be liable—

(3) On a second or subsequent conviction under this section the convicting court shall exercise the power conferred by this Part of ordering that the offender shall be disqualified for holding or obtaining a driver's licence unless the court, having regard to the lapse of time since the date of the previous or last previous conviction, or for any other special reason thinks fit to order otherwise, but this provision shall not be construed as affecting the right of the court to exercise the power aforesaid on a first conviction.

(4) Where a person is convicted of aiding, abetting, counselling or procuring, or inciting the commission of an offence under this section, and it is proved that he was present in the vehicle at the time of the commission of the offence, the offence of which he is convicted shall, for the purpose of the provisions of this Part relating to disqualification for holding or obtaining drivers' licences, be deemed to be an offence within the meaning of section 23.

28. 29.—(1) Where a person is charged before a court of summary jurisdiction with an offence under section 27 and the court is of the opinion that the offence is not proved, then at any time during the hearing or immediately thereafter, the court may, without prejudice to any other powers possessed by the court, direct or allow a charge for an offence under section 32 (which relates to careless driving) to be preferred forthwith against the defendant and may thereupon proceed with that charge, so, however, that he or his solicitor or counsel shall be informed of the new charge and be given an opportunity, whether by way of cross-examining any witness whose evidence has already been given against the defendant or otherwise, of answering the new charge and the court shall, if it considers that the defendant is prejudiced in his defence by reason of the new charge being so preferred, adjourn the hearing.

(2) A defendant in whose case the requirements of section 38 (which relates to notice of prosecution) have been satisfied or do not apply, as respects the alleged offence under section 27, may be convicted on a charge preferred under subsection (1), notwithstanding that such requirements have not been satisfied as respects the alleged offence under section 32.

30.—(1) A person who causes the death of another person by the driving of a motor vehicle on a road recklessly, or at a speed or in a manner which is dangerous to the public, having regard to all the circumstances of the case, including the nature, condition and use of the road, and the amount of traffic which is actually at the time, or which might reasonably be expected to be, on the road, shall be liable on conviction on indictment to imprisonment with or without hard labour for a term not exceeding five years.

(2) Upon the trial of a person who is indicted for manslaughter in connection with the driving of a motor

31.—(1) A person convicted of manslaughter in connection with the driving of a motor vehicle by him or of an offence under section 30 shall, unless the court for special reasons thinks fit to order otherwise, and without prejudice to the power of the court to order a longer period of disqualification, be disqualified for a period of twelve months from the date of the conviction for holding or obtaining a driver’s licence.

(2) Where a person is convicted of aiding, abetting, counselling or procuring, or inciting the commission of an offence mentioned in subsection (1), and it is proved that he was present in the vehicle at the time of the commission of the offence, the provisions of that subsection shall apply in relation to the offence of which he is convicted as if it were mentioned in that subsection.

(3) A constable may arrest without warrant any person committing an offence under this section.

34A.—(1) A person shall not drive or attempt to drive or be in charge of a motor vehicle on a road or other public place if he has consumed alcohol in such a quantity that the proportion thereof in his breath or blood exceeds the prescribed limit.

34B.—(1) Where a constable in uniform or on showing his authority as a member of the Constabulary Force has reasonable cause to suspect—

(a) that a person driving or attempting to drive or in charge of a motor vehicle on a road or other public place has an alcohol level in his breath exceeding the prescribed limit or is in breach of section 34; or

(2) No requirement may be made by virtue of paragraph (b) or (c) of subsection (1) unless it is made as soon as reasonably practicable after the commission of the offence.

(3) If an accident occurs owing to the presence of a motor vehicle on a road, a constable in uniform or on showing his authority as a member of the Constabulary Force may, subject to subsection (4), require any person whom he has reasonable cause to believe was driving or attempting to drive (hereinafter in this section referred to as the driver) the vehicle at the time of the accident to provide a specimen of breath for a breath test either at or near the place where the requirement is made or, if the constable thinks fit, at a police station specified by him being a police station in reasonable proximity to that place.

(4) If a driver is at a hospital as a patient he may be required by the constable to give a specimen of breath at the hospital but no such requirement may be made unless the medical practitioner in charge of his case—

(a) is given prior notice of the proposal to make the requirement; and

(b) does not object to the provision of a specimen on
the ground that its provision or the requirement to provide it would be prejudicial to the proper care or treatment of the patient.

(5) A driver who, without reasonable excuse, fails to provide a specimen of breath under subsection (1), (3) or (4) is guilty of an offence and shall be liable on conviction to a fine not exceeding six thousand dollars or, in default of payment, to imprisonment for a term not exceeding six months.

(6) A constable may arrest without warrant any person who, as a consequence of a breath test, is found to have a proportion of alcohol in his breath exceeding the prescribed limit but no such arrest may be made while the person is at a hospital as a patient.

(7) If a person required by a constable under subsection (1) or (3) to provide a specimen of breath for a breath test fails to do so and the constable has reasonable cause to suspect that the person has alcohol in his breath or blood above the prescribed limit the constable may, without prejudice to section 34 (3), arrest the person without warrant but no such arrest may be made if the person is at a hospital as a patient.

(8) A person arrested under this section or under section 34 (3) shall, while at a police station, be given an opportunity to provide a specimen of breath for a breath test at the police station.

34C.—(1) Subject to subsections (2) and (3) where—

(a) any person required by a constable under section 34B to undergo a breath test fails to undergo that test; or

(b) in consequence of a breath test carried out under section 34B, it is indicated that there may be
present in that person’s breath a concentration of alcohol in excess of the prescribed limit,
the constable may require that person to submit, in accordance with the directions of the constable, to a breath analysis.

(2) The breath analysis referred to in subsection (1) shall be carried out at a police station by a member of the Constabulary Force authorized in that behalf by the Minister.

(3) A member of the Constabulary Force shall not require any person to undergo a breath test or to submit to a breath analysis—

(a) if that person has been admitted to hospital for medical treatment and the medical practitioner in immediate charge of his treatment has not been notified of the intention to make the requisition or objects on the ground that compliance therewith would be prejudicial to the proper care or treatment of that person;

(b) if it appears to that member that it would, by reason of injuries sustained by that person, be dangerous to that person’s medical condition to undergo a breath test or submit to a breath analysis; or

(c) at that person’s usual place of abode:

Provided that a person may be required to submit to a breath test at that person’s usual place of abode—

(a) if the member has reasonable cause to believe that—

(b) wilfully does anything to alter the concentration of alcohol in his breath or blood between the time of the event referred to in section 34B (in respect of which he has been required to undergo a breath test) and the time when he undergoes that test or, if he is required to submit to a breath analysis, the time when he submits to that analysis, shall be guilty of an offence and shall be liable—

(c) in the case of a first conviction, to a fine not exceeding six thousand dollars or in default of payment thereof to imprisonment for a term not exceeding six months; and

(d) in the case of a second or subsequent conviction, to a fine not exceeding ten thousand dollars or in default of payment thereof to imprisonment for a term not exceeding twelve months.

(5) It shall be a defence to a prosecution for an offence under subsection (4) (a) if the defendant satisfies the court that he was unable on medical grounds at the time he was required to do so to undergo a breath test or to submit to a breath analysis, as the case may be.

(6) As soon as practicable after a person has submitted to a breath analysis, the member of the Constabulary Force operating the breath analysing instrument shall deliver to that person a statement in writing signed by that member specifying—

(7) In proceedings for an offence under section 34, 34A or 34B—

(a) evidence may be given of the concentration of alcohol present in the breath of the accused as determined by the breath analysing instrument operated by the member of the Constabulary Force authorized in that behalf under section 34C (2); and

(b) the concentration of alcohol so determined shall be deemed to be the concentration of alcohol in the breath of the accused at the time of the occurrence of the event mentioned in section 34B (1) (a) unless the accused proves that the concentration of alcohol in his breath at that time did not exceed the prescribed limit.

(8) In proceedings for an offence under section 34B, a certificate purporting to be signed by a member of the Constabulary Force certifying that—

(a) he is authorized by the Minister to operate breath analysing instruments;

(b) a person named therein submitted to a breath analysis;

(f) a statement in writing required by subsection (6) was delivered in accordance with that subsection, shall be prima facie evidence of the particulars certified in and by the certificate.

(9) In proceedings for an offence under this section a certificate purporting to be signed by the Minister that the member of the Constabulary Force named therein is authorized by the Minister to operate breath analysing instruments shall be prima facie evidence of the particulars certified in and by the certificate.

(10) In any proceedings for an offence under this section, evidence of the condition of a breath analysing instrument or the manner in which it was operated shall not be required unless evidence that the instrument was not in proper condition or was not properly operated has been adduced.

34D.—(1) Subject to subsections (2) and (3), in the course of an investigation as to whether a person has committed an offence under section 34 or 34A a constable may require a person under investigation to provide a sample of blood for a laboratory test if the person is unable, by reason of his physical condition, to provide a sample of breath for a breath test.

(2) A person shall not be required to provide a specimen of blood for a laboratory test under subsection (1) if he is at a hospital as a patient and the medical practitioner in immediate charge of his case is not first notified of the proposal to make the requirement or objects to the
provision of a specimen on the ground that the requirement to provide such specimen could be prejudicial to the proper care or treatment of that person.

(3) A constable shall not require a person to submit a specimen of blood for a blood analysis if a breath analysis has been carried out in respect of that person and the result is available.

(4) Nothing in the foregoing provisions of this section shall affect the provisions of section 34F.

34E.—(1) Where any person who is under investigation in relation to an offence under section 34 refuses to provide a sample of blood for a blood test when required to do so under section 34D (1), his refusal may, unless reasonable cause therefor is shown, be treated as supporting any evidence given on behalf of the prosecution, or as rebutting any evidence given on behalf of the defence, with respect to his condition at the time when the offence was committed.

(2) For the purposes of subsection (1), a person shall not be treated as failing to provide a specimen unless he is first requested to provide a specimen but refuses to do so.
34F.—(1) For the purposes of any proceedings for an offence under section 34A, a certificate signed by an authorized analyst, certifying the proportion of alcohol found in a specimen identified by the certificate shall, subject to subsection (3), be evidence of the matters so certified and of the qualifications of the analyst.

(2) For the purposes of any proceedings for an offence under section 34A, a certificate purporting to be signed by the medical practitioner that he took a specimen of blood from a person with that person's consent shall, subject to subsection (3), be evidence of the matters so certified and of the qualifications of the medical practitioner.

(3) Subsections (1) and (2) shall not apply to a certificate tendered on behalf of the prosecution—

(a) unless a copy has been served personally on the accused or his counsel not less than seven days before the hearing or trial; or

(b) if the accused, not less than seven days before the hearing or trial, or within such further time as the court may in the circumstances of the case allow, has served notice on the prosecution requiring the attendance at the hearing or trial of the person by whom the certificate was signed.

(4) Where, in proceedings for an offence under section 34A the accused, at the time a specimen of blood was taken from or provided by him, asked to be supplied with such a specimen, evidence of the proportion of alcohol found in the specimen shall not be admissible on behalf of the prosecution unless—

(a) the specimen is either one of two taken or provided on the same occasion or is part of a single specimen which was divided into two parts at the time it was taken or provided; and

[The inclusion of this page is authorized by L.N. 95/1997]

(3) It is hereby declared that where persons are carried in a motor vehicle for any journey for consideration of separate payments made by them whether to the owner of the vehicle or to any other person, the vehicle in which they are carried shall be deemed to be a vehicle carrying passengers for hire or reward at separate fares whether the payments are solely in respect of the journey or not:

Provided that a vehicle used on a special occasion for the conveyance of a private party shall not be deemed to be a vehicle carrying passengers for hire or reward at separate fares by reason only that the members of the party have made separate payments which cover their conveyance by that vehicle on that occasion.

(4) A road licence may be refused or, if it has already been granted, may at any time be suspended or revoked by the Licensing Authority by whom it was granted if that Licensing Authority is satisfied that having regard to the conduct of the applicant or holder of the licence or to the manner in which the vehicle is being used, he is not a fit person to hold such a licence.

a road licence of any of the classes specified in section 62.

(2) The Transport Authority shall not grant a road
licence if it is made to appear to the Transport Authority by
a Traffic Area Authority that from the particulars furnished
in pursuance of subsection (9) the provisions of Part II re-
lating to the speed of motor vehicles are likely to be con-

tion to grant or to refuse any such licence, or to grant or to
refuse any such licence for a stage or express carriage in
respect of any routes, and discretion to attach conditions to
any such licences, shall have regard to the following

of a stage or express carriage, the suitability of the
routes and the condition of the roads on which the
service may be provided under the licence;

(b) in the case of an application for a licence in respect
of a stage or express carriage, the extent, if any, to

(e) the result of any technical survey conducted pursuant to subsection (4), and, in the case of an application for a licence in respect of a stage or express carriage, take into consideration any representations which may be made by any Traffic Area Authority, or local authority, in whose area any of the routes or any part of any of the routes is situated and any objection made by an existing operator pursuant to subsection (5) so, however, that the Transport Authority shall not be obliged to allow an existing operator to make oral submissions to the Transport Authority but may, if it thinks fit having regard to any recommendations made by a person conducting the technical survey, select from among such operators any one or more of them to make such submissions.

(3) Where the Transport Authority decides not to hear oral submissions from an existing operator pursuant to subsection (2) the existing operator may, on such terms as to costs as may be specified by the Transport Authority, appeal to the Road Traffic Appeal Tribunal but any such appeal shall not preclude the grant to the applicant, on such terms and conditions as the Transport Authority in its discretion may think appropriate, of a road licence if, in the opinion of the Transport Authority, such grant is desirable in the interest of the travelling public.

(4) For the purposes of subsection (2) (e) the Transport Authority shall arrange to have technical surveys carried out either by officers in the service of the Transport Authority or by other persons appearing to the Authority to be competent in that regard in order to determine the population to be served, the likely destinations and the likely commencement of journeys, the desired time of travel, the number of seats required for passengers at different times of a day or on different days and the service being supplied to those passengers.

[The inclusion of this page is authorized by L.N. 37/1988]
(5) A person conducting a survey pursuant to subsection (4) shall, in the case of an application for a licence in respect of a stage or express carriage, take into account any representations which may be made—

(a) by any person pursuant to subsection (7); and

(b) by the Traffic Area Authority, or local authority, in whose area any of the routes or part thereof is situated.

(6) Every representation under subsection (5) shall be made in writing to the Transport Authority but at the request of the person making the representation, the person or persons conducting the technical survey may hear oral submissions by or on behalf of the existing operator.

(7) Any person, in this section referred to as an "existing operator"—

(a) who is already providing stage or express carriage service along or near to the route in respect of which an application is made for a licence to operate a stage or express carriage service; and

(b) who satisfies the Authority that the stage or express carriage service already so provided is being maintained in a satisfactory manner and that it is likely that the service so maintained may be materially prejudiced by the grant of the application,

may object to the grant of the application on the ground that there is no need for any additional service on the route as the transportation needs of the passengers using the route are adequately served.

(8) Subject to the provisions of this section and to representations made under this Act the Transport Authority may attach to a road licence such conditions as the Authority may think fit with respect to the matters in which the Authority is required to have regard under subsection (2) and in particular for securing that—

[The inclusion of this page is authorized by L.N. 180A/2006]
(a) in the case of a licence in respect of a stage, express, contract or hackney carriage or a route taxi, the fares shall not be unreasonable;

(b) in the case of a licence in respect of a stage or express carriage or a route taxi, where desirable in the public interest, the fares shall be so fixed as to prevent wasteful competition with alternative forms of transport, if any, along the routes or any part thereof, or in proximity thereto;

(c) in the case of a licence in respect of a stage or express carriage, copies of the timetable and fare table shall be carried and be available for inspection in vehicles used on the service;

(d) in the case of a licence in respect of a stage or express carriage or a route taxi, passengers shall not be taken up or shall not be set down except at specified points or shall not be taken up or shall not be set down between specified points;

(e) in the case of a contract or hackney carriage or a route taxi, a copy of the fare table shall be carried and be available for inspection in vehicles used as such,

and generally for securing the safety and convenience of the public, and the Transport Authority may from time to time vary in such manner as the Authority may think fit the conditions attached to a road licence.
(9) Every person applying for a road licence of any class shall submit to the Transport Authority—

(a) particulars of the types or type of vehicle to be used accompanied by the certificate of fitness issued in respect of the vehicle;

(b) in the case of an application for a road licence in respect of a stage carriage or express carriage, the proposed route, the timetables and fare tables of the services proposed to be provided, the frequency of the services and the times to be taken on the journeys included in those services, a statement as to the need for the proposed services and such other information as the Transport Authority may require,

and the Transport Authority shall transmit to the Traffic Area Authority in whose area application for the licence is made a copy of such particulars.

(10) Applications for licences under this section, and representations submitted for consideration pursuant to subsection (5), (other than representations made by a Traffic Area Authority or local authority) and any objection made pursuant to subsection (7) shall be accompanied by the respective fees prescribed by regulations made under section 76, so, however, that until other fees are so prescribed the fee on each application, representation or objection shall be one hundred dollars.
(11) Each representation referred to in subsection (10) shall state the grounds of any objection proposed to be made in respect of the application for the licence and a copy thereof shall be served on the applicant.

(12) The Transport Authority or any person conducting a survey pursuant to subsection (4) may, in its or his discretion, where the Authority is determining the grant or refusal of an application, invite any person who has made a representation under subsection (5) to give oral evidence, or any other person as a witness in the cause.

(13) Any person who pursuant to subsection (5), makes a representation in relation to an application for a stage or express carriage licence shall, upon application to the Transport Authority and upon payment to the Transport Authority of the prescribed fee, be given a copy of the findings of any technical survey referred to in subsection (4).

(14) The Transport Authority on granting a road licence in respect of a stage or express carriage shall send notice thereof, including particulars of the services to be provided thereunder to—

(a) the Traffic Area Authority; and
(b) the local authority,

in whose area or any part thereof any such service is to be provided.

(15) If any person uses a public passenger vehicle or causes or permits it to be used in contravention of this section or, being the holder of a road licence of any class, wilfully or without reasonable cause fails to comply with any of the conditions attached to that licence he, subject to subsection (16), is guilty of an offence and is liable on summary conviction before a Resident Magistrate to a fine not exceeding one hundred thousand dollars or to imprisonment for a term not exceeding three months or to both such fine and imprisonment and in respect of a second or subsequent conviction the court may, upon application by the Transport Authority, revoke the road licence.

(16) The failure in any case to comply with any condition referred to in subsection (15) shall not be an offence if the alleged offender proves that the Traffic Area Authority for the traffic area in which the offence is alleged to have been committed had dispensed with compliance in that case.

(17) In—

(a) this Part "local authority" means the Parish Council of any parish or the Kingston and St. Andrew Corporation:

[The inclusion of this page is authorized by L.N. 180A/2006]
(b) this section "Transport Authority" means the Transport Authority established under the Transport Authority Act.

64.—(1) A Licensing Authority may, by instrument in writing addressed to the Minister, from time to time, recommend that the Minister make an order under this section limiting the number of road licences in respect of any specified class of vehicle which may be granted in, or in relation to, any specified licensing area during any specified period.

(2) Where a recommendation has been made by a Licensing Authority under subsection (1) the Minister may, in his discretion, by order declare the maximum number of road licences in respect of any specified class of vehicle which may, in or in relation to, any specified licensing area during any specified period be granted by a Licensing Authority whether or not it is the Licensing Authority making the recommendation.

(3) When an order has been made by the Minister under subsection (2) a Licensing Authority—

(a) shall, in relation to any application for a road licence, have regard to such order;

[The inclusion of this page is authorized by L.N. 180A/2006]
(b) shall deal with applications for licences which are affected by such order in its discretion but in such a manner as to ensure that any limitation on the number of licences to be granted is, as far as possible, equitably applied to such applications; and

(c) may, in exercising any discretion vested in it under subsections (2) and (6) of section 63, attach to any licence such conditions as may be necessary to give effect to such order and, notwithstanding any other provisions of this Act, such conditions may include restrictions on the operations of any class of vehicle.

65.—(1) This section applies to an application made in accordance with subsection (2) of section 61 for a licence to operate a stage carriage or an express carriage on a proposed route which lies in more than one licensing area.

(2) An application to which this section applies shall be considered and determined by the Licensing Authority to which the application is made, which, however, shall be constituted for such purposes by the addition of one member of the Licensing Authority for each other licensing area in which any part of the proposed route lies, nominated in accordance with subsection (3).

(3) A Licensing Authority which receives an application to which this section applies (hereinafter referred to in this subsection as the appropriate Licensing Authority) shall give notice of the application to the Licensing Authority for
each other licensing area in which any part of the proposed routes lies, and the chairman of each such Licensing Authority upon receipt of such notice shall nominate one of the members of that Licensing Authority to be a member of the appropriate Licensing Authority for the purpose of hearing and determining the application.

(4) A Licensing Authority constituted under this section shall, in relation to an application to which this section applies and to any licence granted pursuant to such application, be deemed for all purposes to be the Transport Authority established under the Transport Authority Act.

(5) Where a licence has been granted by a Licensing Authority constituted in accordance with this section, the powers conferred by this Act upon a Licensing Authority to suspend or revoke a licence shall, in relation to any licence so granted, be exercised by a Licensing Authority constituted in accordance with this section, and accordingly any question as to the exercise of such powers shall be referred to the Licensing Authority which receives the application for the licence and the provisions of subsection (3) shall apply mutatis mutandis as if such reference of that question were the receipt of an application by that Licensing Authority.

66.—(1) Subject to the provisions of this section, where the Minister is satisfied in relation to any licensing area that—

(a) the holder of any road licence in respect of a stage carriage or an express carriage (whether voluntarily or by reason of causes beyond his control) wholly or in part either—

(i) has failed or neglected to provide; or

[The inclusion of this page is authorized by L.N. 37/1988]
(ii) has discontinued or suspended the provision of; or

(iii) is likely to discontinue or suspend the provision of,
the service authorized to be provided under such licence; or

(b) any road licence in respect of a stage carriage or express carriage has been revoked or suspended under the provisions of this Act.

he may—

(i) by order empower the Licensing Authority for the relevant area to grant so many emergency road licences in relation to such routes and for such periods (not being in excess of twelve months) as may be specified in such order; and

(ii) by the same or any other order revoke all existing road licences in force in relation to such routes.

(2) Every emergency road licence shall take effect from such day as may be specified in such licence and unless sooner revoked or suspended shall continue in force until such day (not being more than twelve months next after the date upon which such licence takes effect) as may be specified in such licence.

(3) There shall be paid in respect of the grant of any emergency road licence a fee of two dollars.

(4) The provisions of section 63 other than so much of the provisions of subsection (2) as require the Licensing Authority to take into consideration representations made by the persons referred to in such subsection, and the provisions of section 67 and of section 68 shall apply to emergency road licences as they apply to road licences under section 63.

[The inclusion of this page is authorized by L.N. 68/1978]
(5) For the avoidance of doubt it is expressly declared that nothing in this Act or in any regulation made thereunder requiring any application for the grant of a road licence to be advertised or notice of such application to be given to any person other than the Licensing Authority or providing for any right of appeal against the decision of any Licensing Authority to grant or revoke any application for a road licence shall apply to any emergency road licence.

(6) Notwithstanding anything to the contrary, any emergency road licence may be revoked at any time by the Minister without any cause assigned.

(7) Notwithstanding anything to the contrary, no compensation shall be payable in respect of the revocation of any emergency road licence under this section.

(8) When any existing road licence is revoked in accordance with the provisions of this section there shall be refunded to the holder of that licence such sum as bears to sixteen dollars the same proportion as is borne by the number of months between the date of revocation and the date on which the licence would normally have expired.

(9) At any time before the expiration of an emergency road licence the Minister may by order empower the Licensing Authority for the relevant area to renew such licence for such period (not being more than twelve months from the date of the expiration of the licence) as may be specified in the order, and if the licence is renewed in pursuance of such order, it shall, subject to the succeeding provisions of this subsection, continue in force until the expiration of the period specified in the order.

The provisions of subsections (3), (4) and (5) shall have effect in relation to the renewal of an emergency road licence.
as they have effect in relation to the grant of such a licence, and the provisions of subsections (6) and (7) shall have effect in relation to an emergency road licence in respect of any period for which it has been renewed as they have effect in relation to such licence in respect of the period for which it was first granted.

67.—(1) Subject to subsection (2), a road licence in respect of a stage carriage, an express carriage, a hackney carriage or a route taxi granted by the Licensing Authority of any licensing area shall not be valid in any other licensing area.

(2) A road licence in respect of a stage carriage or an express carriage granted under section 65 shall be valid in every licensing area in which is situated any part of the route authorized by the licence.

(3) Except as provided in subsections (1) and (2), any licence issued under this Part by the Licensing Authority of any licensing area shall be valid in any other licensing area.

68.—(1) A road licence of any class may be revoked or suspended by the Licensing Authority who granted the licence, if that Licensing Authority is satisfied that any condition subject to which the licence was granted has not been complied with:

Provided that the Licensing Authority shall not revoke such a licence unless owing to the frequency of the breach of the conditions on the part of the licensee, or to the breach having been committed wilfully, or to the danger to the public involved in the breach, the Licensing Authority is satisfied that the licence should be revoked or suspended.

(2) The Licensing Authority on revoking or suspending a road licence shall send notice thereof to the Island
Traffic Authority, to the Traffic Area Authority and every local authority in whose area the service to which such licence relates is provided.

(3) A road licence shall not be capable of being transferred or assigned:

Provided that provisions may be made by regulations for enabling a person carrying on the business of the holder of a licence issued in respect of a stage or express carriage service to continue for the time being the service in the event of the death, incapacity, bankruptcy or liquidation of the holder, or of the appointment of a receiver or manager in relation to the business.

Conductors' Licences

69.—(1) A person shall not act as conductor of a stage or express carriage on a road unless he is licensed for the purpose under this Part, and a person shall not employ any person who is not so licensed to act as conductor of any such vehicle on a road.

(2) There may be attached to the licence such conditions as the Licensing Authority may think fit to impose.

(3) A person shall be disqualified for obtaining a licence to act as conductor, of a stage or express carriage unless he is over the age of eighteen years and fulfils such other conditions as may be prescribed.

(4) A licence to act as conductor of a stage or express carriage may at any time be suspended or revoked by the Licensing Authority by whom it was granted upon the ground that, by reason of his conduct or physical disability, the holder is not a fit person to hold such a licence.
(5) If any person acts in contravention of this section or fails to comply with any condition attached to the licence he shall be guilty of an offence and shall be liable on summary conviction before a Resident Magistrate to a fine not exceeding one thousand dollars.

70.—(1) An application to act as conductor of a stage or express carriage shall be made to the Licensing Authority of the area in which the applicant resides, and there shall be paid to the Licensing Authority in respect of such licence a fee of five hundred dollars.

(2) A conductor's licence issued under this Act shall, subject to the provisions of this Act, continue in force from the date thereof until the then next ensuing 31st day of March:

Provided that the licence duty in respect thereof shall be paid in full at the time of the issue of the licence:

Provided further that every conductor's licence issued under the provisions of this Act immediately preceding the 1st day of April in any year shall bear date the 1st day of April then next ensuing.

(a) for hire or reward; or

(b) for or in connection with any trade or business carried on by him, except under a licence (in this Act referred to as a “carrier’s licence”).

(2) For the purposes of this Part and the regulations made thereunder—

(a) the expression “commercial motor car” means a motor vehicle constructed, adapted or used for the carriage of goods and any other motor vehicle including tractors and trailers used in connection with or in the furtherance of any private or business undertaking:

Provided that a vehicle used by its owner in the pursuits of his profession or business for his personal conveyance shall not be deemed to be a commercial motor car:

(5) Any person who uses or causes or permits a commercial motor car to be used in contravention of this section shall be guilty of an offence and shall be liable on summary conviction before a Resident Magistrate to a fine not exceeding five thousand dollars and the vehicle shall be liable to be seized and kept in the possession of the Police until the licence required by this Part has been obtained and produced.

79.—(1) Licences shall be of the following classes—
(a) public carriers’ licences;
(b) private carriers’ licences.

(2) A public carrier’s licence shall entitle the holder thereof to use the authorized vehicles for the carriage of
goods for hire or reward, or for the carriage of goods for or in connection with his business as a carrier of goods, but it shall be a condition of the licence that no vehicle which is for the time being an authorized vehicle shall be used for the carriage of goods for or in connection with any other trade or business carried on by him except such storage or warehousing of goods as may be incidental to his business as a carrier.

(3) A private carrier's licence shall entitle the holder thereof to use the authorized vehicles for the carriage of goods for or in connection with any trade or business carried on by him, subject to the condition that no vehicle which is for the time being an authorized vehicle shall be used for the carriage of goods for hire or reward.

Notwithstanding anything in this Part, the Licensing Authority may, in a case of emergency and subject to such conditions as it thinks fit to impose, authorize the holder of a private carrier's licence to use an authorized vehicle for the carriage of goods for any person to whom he lets the vehicle, if the Authority is satisfied that the needs of that person cannot conveniently be met from other sources.

(4) For the purposes of this Part the expression "authorized vehicle" means in relation to any carrier's licence a vehicle authorized to be used thereunder.

(5) The vehicles authorized to be used under a carrier's licence shall be—

(6) A motor vehicle specified in the licence shall not, while it remains so specified, be capable of being effectively specified in any other licence under this Part.

(7) A person may be the holder of two or more licences whether of the same class or of different classes.

80.—(1) A person applying for a licence shall submit to the Licensing Authority a statement in the prescribed form—

\(a\) containing as respects motor vehicles proposed to be used under a licence, such particulars as may be prescribed;

\(b\) stating the number and type of hired motor vehicles and of trailers proposed to be so used;

\(c\) specifying, in the case of an application for a public carrier's licence, the facilities for the carriage of goods intended to be provided by him under the licence for other persons including the particulars of the district within which, or the places between which, it is intended that the authorized vehicles will normally be used for the purposes of carrying goods for hire or reward.

(2) A person applying for a carrier's licence shall give to the Licensing Authority any information which it may reasonably require for the discharge of its duties in relation to the application and, in particular, an applicant

\[\text{[The inclusion of this page is authorized by L.N. 68/1978]}\]
for a public carrier’s licence shall, if required by the Licensing Authority, submit to the Authority in the prescribed form such particulars as the Licensing Authority may require with respect to any business as a carrier of goods for hire or reward carried on by the applicant at any time before the making of the application and of the rates charged by the applicant.

81. A carrier’s licence may be refused, or, if it has already been granted, may at any time be suspended or revoked by the Licensing Authority by whom it was granted if it is made to appear to the Licensing Authority by a Traffic Area Authority, that having regard to the conduct of the applicant or holder of the licence or to the manner in which the vehicle is being used he is not a fit person to hold such a licence.

82.—(1) Subject to the provisions of this section, the Licensing Authority—

(a) on an application for a public carrier’s licence, shall have full power in its discretion either to grant or to refuse the licence; and

(b) on an application for a private carrier’s licence, shall grant the licence, unless the applicant is the holder of a licence which is suspended, or unless a licence previously held by him has been revoked, in either of which cases the Licensing Authority shall have full power in its discretion either to grant or to refuse the licence.

(2) A Licensing Authority in exercising its discretion to grant or to refuse a public carrier’s licence shall have regard primarily to the interests of the public generally, including those of persons requiring, as well as those of
persons providing, facilities for transport, and, in particular, shall have regard to—

(a) the extent, if any, to which the needs of the licensing area in which the licence is issued are already adequately served;

(b) the extent to which the proposed service is necessary or desirable in the public interest;

(c) the needs of the licensing area as a whole in relation to traffic (including the provision of adequate, suitable and efficient transport services, elimination of unnecessary services and the prevention of unremunerative services) and the co-ordination of all forms of goods transport including transport by rail.

83.—(1) It shall be a condition of every carrier's licence—

(a) that the authorized vehicles are maintained in a fit and serviceable condition;

(2) Any person who fails to comply with any condition of a licence held by him shall be guilty of an offence.

84.—(1) A carrier's licence of either class may be revoked or suspended by the Licensing Authority by whom the licence was granted on being satisfied by a Traffic Area Authority that any condition subject to which the licence was granted has not been complied with:

Provided that the Licensing Authority shall not revoke or suspend any such licence unless owing to the frequency
of the breach of conditions of the licence, or to the breach having been committed wilfully, or to the danger to the public involved in the breach, the Licensing Authority is satisfied that the licence should be revoked or suspended.

(2) In any case where a carrier's licence is revoked or suspended the Licensing Authority shall, if requested by the licence holder, state in writing the grounds for the revocation or suspension.

85.—(1) The Licensing Authority shall publish in the prescribed manner notice of an application for a public carrier's licence specifying the time within which, and the manner in which, objections may be made to the grant of the application.

(2) It shall be the duty of the Licensing Authority, on an application for a public carrier's licence, to take into consideration any objections to the application which may be made by persons who are already providing facilities for the carriage of goods for hire or reward in the district, or between the places which the applicant intends to serve, on the grounds that suitable transport facilities in that district, or between those places, are, or if the application were granted, would be, either generally or in respect of any particular type of vehicles, in excess of requirements.

86. Any person who—

(a) being an applicant for the grant of a carrier's licence is aggrieved by the decision of the Licensing Authority on the application; or

(b) in the case of a public carrier's licence having duly made an objection to any such application as aforesaid, being an objection which the Licensing Authority is bound to take into consideration, is

87. A carrier's licence shall not be capable of being transferred or assigned:

Provided that provision may be made by regulations for enabling a person carrying on the business of the holder of a licence to continue for the time being to use the authorized vehicles in the event of the death, incapacity, bankruptcy or liquidation of the holder, or of the appointment of a receiver or manager in relation to the business.

88. The Minister may make regulations for any purpose for which regulations may be made under this Part and for prescribing anything which may be prescribed under this Part, and generally for the purpose of carrying this Part into effect and, in particular, but without prejudice to the generality of the foregoing provisions, may make regulations with respect to any of the following matters—

PART V. _International circulation of Motor Vehicles_

90.—(1) The Minister may by order for the purpose of giving effect to any convention for facilitating the international circulation of motor vehicles provide—

91. The powers conferred by section 90 shall be exercisable for the benefit of persons resident in a country which is not a party to any such convention as is referred to in that section, in like manner and to the like extent as those powers may be exercised for the benefit of such persons as are so referred to.

PART VIII. Special Powers of Enforcement and Administration Traffic Tickets

116.—(1) This section shall apply to any offence created by or under an enactment and punishable on summary conviction—

(a) being an offence committed in respect of a vehicle—

(i) by its being left or parked on a road without the lights or reflectors required by law;
(ii) by its obstructing a road or waiting, or being left or parked or being loaded or unloaded, in a road; or

(iii) by the non-payment of the charge made at a parking place on a road; and

Appendix.

(b) being an offence specified in the Appendix:

Provided that this section shall not extend to circumstances where, pursuant to section 22, a person is required by a constable to produce his driver's licence but is unable to do so.

(2) Where a constable finds a person on any occasion and has reason to believe that on that occasion he is committing or has committed an offence to which this section applies, he may give him the prescribed notice in writing offering the opportunity of the discharge of any liability to conviction of that offence by payment of a fixed penalty under this section; and no person shall then be liable to be convicted of that offence if the fixed penalty is paid in accordance with this section before the expiration of the twenty-one days following the date of the notice or such longer period (if any) as may be specified therein or before the date on which proceedings are begun, whichever event last occurs.

(3) Where a person is given a notice under this section in respect of an offence proceedings shall not be taken against any person for that offence by any constable or local authority, as the case may require, until the end of the twenty-one days following the date of the notice or such longer period (if any) as may have been specified therein.

(4) In subsections (2) and (3) "proceedings" means any criminal proceedings in respect of the act or omission constituting the offence specified in the notice under subsection (2), and "convicted" shall be construed in like manner.

[The inclusion of this page is authorized by L.N. 42/1995]
(5) Payment of a fixed penalty under this section shall be made—

(a) in respect of any offence specified in paragraph (a) of subsection (1), to the local authority specified pursuant to subsection (6), and such local authority may retain the amount paid as part of its funds;

(b) in respect of any offence specified in the Appendix, to any Collector of Taxes in the manner prescribed by regulations made under subsection (11),

and in any proceedings a certificate that payment of the fixed penalty was or was not made to the local authority or to the Collector of Taxes, as the case may be, by a date specified in the certificate shall, if the certificate purports to be signed by the secretary of the local authority or the Collector of Taxes, be sufficient evidence of the facts stated unless the contrary is proved.

(6) A notice under subsection (2) shall—

(a) specify the offence alleged, and give such particulars of the offence as are necessary for giving reasonable information of the allegation;

(b) state the period during which, by virtue of subsection (3), proceedings will not be taken for the offence;

(c) state the amount of the fixed penalty and that such fixed penalty shall be paid to—

(i) the relevant local authority; or

(ii) any tax office,

as the case may require, and, in the case of payment to a local authority, the address at which the fixed penalty may be paid;

(d) require the person, in the event that the fixed penalty is not paid within the period specified in the notice pursuant to subsection (3), to attend before the Traffic Court or, as the case may be,
the Resident Magistrate’s Court in the parish in which the offence is alleged to have been committed, to answer the charge on such date as may be specified, being a date not earlier than ten days after the expiration of the period specified pursuant to subsection (3).

(7) Where a constable finds a vehicle on an occasion and has reason to believe that on that occasion there is being or has been committed in respect of it an offence to which this section applies, he may proceed under this section as if he had found a person reasonably believed by him to be committing the offence, and for that purpose a notice affixed to the vehicle shall be deemed to be given to the person liable for that offence.

(8) A notice affixed to a vehicle under subsection (7) shall not be removed or interfered with except by or under the authority of the driver or person in charge of the vehicle or the person liable for the offence in question; and any person contravening this subsection shall be guilty of an offence.

(9) The fixed penalty for an offence—

(a) to which paragraph (a) of subsection (1) applies, shall be five hundred dollars;

(b) specified in the Appendix, shall be the amount so specified in relation to each such offence:

Provided that the Minister may, by order, amend the Appendix to provide for the fixed penalty to be in any case more or less than the amounts specified therein (but not more than one-half of the maximum amount of the fine to which a person not previously convicted of the offence is liable on summary conviction).

(10) In any proceedings for an offence to which subsection (1) applies no reference shall be made after the conviction of the accused to the giving or affixing of any notice under this section or to the payment or non-payment
of a fixed penalty thereunder unless in the course of the proceedings or in some document which is before the court in connection with the proceedings reference has been made by or on behalf of the accused to the giving or affixing of such a notice or, as the case may be, to such a payment or non-payment.

(11) The Minister may by regulations make provision as to any matter incidental to the operation of this section.

Traffic Wardens

117.—(1) Subject to subsection (3), a local authority may appoint persons to discharge in aid of the Police functions normally undertaken by the Police in connection with the control and regulation of road traffic or with the enforcement of the law relating to road traffic.

(2) Persons employed under subsection (1) shall be known as “traffic wardens”, and a local authority employing traffic wardens for the purposes of that subsection may also (subject to subsection (3)) employ them to act, under the direction of the Commissioner of Police, for other purposes connected with the control and regulation of road traffic or road vehicles; and in particular the local authority may employ the traffic wardens to act as parking attendants at parking places on roads provided or controlled by the local authority.

(3) Traffic wardens shall not be employed to discharge functions other than those prescribed as appropriate for the purpose by order of the Minister.

(4) In so far as an order under subsection (3) authorizes the employment of traffic wardens for the purposes of section 116 references in that section to a constable shall include a traffic warden.

[The inclusion of this page is authorized by L.N. 42/1995]
(5) A local authority shall not employ as traffic warden any person who is a constable, but shall take steps to ensure that only persons adequately qualified are appointed traffic wardens, and that traffic wardens are suitably trained by the Police before undertaking their duties.

(6) Traffic wardens shall wear such uniform as the local authority may determine, and shall not act as traffic wardens when not in uniform.

**Special Enforcement Provisions**

118.—(1) Without prejudice to the generality of paragraph (i) of section 46 (1), where the driver of a vehicle is alleged to be guilty of an offence under this Act or any rule, order or regulation made thereunder—

(a) the owner of the vehicle shall give such information as to the identity of the driver—

(i) as the Commissioner of Police or any person acting on his behalf may require; or

(ii) in the case of an offence against section 55, as the local authority having power to institute proceedings for such offence, or any person acting on their behalf, may in writing require; and

(b) any other person shall, if required as aforesaid, give such information which may lead to the identification of the driver as he may be able to give.

(2) A person who fails to comply with the requirements of paragraph (a) of subsection (1) shall be guilty of an offence unless he shows to the satisfaction of the court that he did not know and could not with reasonable diligence have ascertained who the driver of the vehicle was, and a person who fails to comply with the requirement of paragraph (b) of that subsection shall be guilty of an offence.

[The inclusion of this page is authorized by L.N. 42/1995]
119.—(1) Subject to subsections (2) and (3) in any proceedings for an offence under this Act or any rule, order or regulation made thereunder a certificate in the prescribed form, purporting to be signed by a constable and certifying that a person specified in the certificate stated to the constable—

(a) that a particular motor vehicle was being driven by, or belonged to, that person on a particular occasion; or

(b) that a particular motor vehicle on a particular occasion was used by, or belonged to, a firm in which that person also stated that he was at the time of the statement a partner; or

(c) that a particular motor vehicle on a particular occasion was used by, or belonged to, a corporation of which that person also stated that he was at the time of the statement a director, officer or employee,

shall be admissible as evidence for the purpose of determining by whom the vehicle was being driven or used, or to whom it belonged, as the case may be, on that occasion.

(2) Nothing in subsection (1) shall be deemed to make a certificate admissible as evidence in proceedings for an offence except in a case where and to the like extent to which oral evidence to the like effect would have been admissible in those proceedings.

(3) Nothing in subsection (1) shall be deemed to make a certificate admissible as evidence in proceedings for an offence—

(a) unless a copy thereof has, not less than seven days before the hearing or trial, been served in the prescribed manner on the person charged with the offence; or

[The inclusion of this page is authorized by L.N. 42/1995]
(b) if that person, not later than three days before the hearing or trial or within such further time as the court may in special circumstances allow, serves a notice in the prescribed form and manner on the prosecutor requiring attendance at the trial of the person who signed the certificate.

120. Where on the summary trial of an information for an offence under this Act or any rule, order or regulation made thereunder—

(a) it is proved to the satisfaction of the court that a requirement under subsection (1) of section 118 to give information as to the identity of the driver of a particular vehicle on the particular occasion to which the information relates has been served on the accused by post; and

(b) a statement in writing is produced to the court purporting to be signed by the accused that the accused was the driver of that vehicle on that occasion,

the court may accept that statement as evidence that the accused was the driver of that vehicle on that occasion.

121.—(1) Where a vehicle is removed from a parking place or from a road in pursuance of any provision made by or pursuant to this Act, there shall be payable to the appropriate authority by the prescribed person—

(a) in respect of the removal, the fixed charge; and

(b) in respect of any period during which the vehicle is in the custody of that authority, a charge ascertained by reference to the prescribed scale.

(2) The fixed charge in respect of the removal of a vehicle shall be six dollars or such other sum (whether greater or smaller) as may be prescribed.

[The inclusion of this page is authorized by L.N. 42/1995]
(3) A charge under this section may (without prejudice to any other form of recovery) be recovered as a simple contract debt in any court of competent jurisdiction.

(4) In this section “appropriate authority” in relation to a vehicle removed from a parking place provided or controlled by a local authority, means that authority.

122.—(1) Subject to subsection (2), where by virtue of any provision made by or pursuant to this Act a vehicle has been, or could at any time be, removed from a road, the appropriate authority may, if it appears to them that the vehicle has been abandoned, sell or otherwise dispose of it and—

(a) apply the proceeds of a sale of the vehicle in or towards satisfaction of any costs incurred by them in connection with the disposal thereof or any charge to payment of which they are entitled as regards the vehicle under section 121;

(b) recoup any such costs as aforesaid so far as not satisfied by virtue of paragraph (a);

(c) dispose of in such manner as the Minister may by order prescribe any sums received by the appropriate authority on a sale of the vehicle, after deducting any sum applied thereout by virtue of paragraph (b).

(2) A power of disposal conferred by subsection (1) shall not be exercisable in the case of a vehicle unless there have been taken by the appropriate authority such steps and there has elapsed such period (not being less than six weeks) beginning with the taking of the first of them as may be prescribed by the Minister, by order, being steps and a period whose respective taking and lapse will, in the opinion of the Minister, together suffice for securing adequate opportunity for enabling the vehicle to be claimed.
(3) Different provisions may be made under sub-section (2) with respect to vehicles of different classes or descriptions or with respect to vehicles of the same class or description in different circumstances.

(4) In this section "appropriate authority" in relation to a vehicle that has been removed, means the authority who, in relation to it, are (within the meaning of section 121) the appropriate authority and, in relation to a vehicle that could at any time be removed, the authority who, if it were then removed, would in relation to it be (within the meaning of that section) the appropriate authority.

Regulations. 123. The Minister may make regulations for any purpose for which regulations may be made under this Part and for prescribing any other matter or anything which may be, or is required to be, prescribed under this Part.
