THE ENDANGERED SPECIES (PROTECTION, CONSERVATION AND REGULATION OF TRADE) ACT

REGULATIONS
(under section 53)

THE ENDANGERED SPECIES (PROTECTION, CONSERVATION AND REGULATION OF TRADE) (ESTABLISHMENT OF INDIVIDUAL EXPORT QUOTA (CONCH, STROMBUS GIGAS)) REGULATIONS, 2000

(Made by the Minister on the 3rd day of April, 2000)

1. These Regulations may be cited as the Endangered Species (Protection, Conservation and Regulation of Trade) (Establishment of Individual Export Quota (Conch, Strombus gigas)) Regulations, 2000.

2. In these Regulations—

“conch” means Strombus gigas (Queen Conch).

3.—(1) A person who wishes to export conch shall apply to the Management Authority for an Individual Export Quota in the form set out as Form 1 in the Schedule hereto.

(2) An application under paragraph (1) shall be accompanied by—

(a) a fee of seven hundred and fifty dollars;

(b) a Certificate of the Individual Conch Quota Allocation issued in respect of the applicant pursuant to the Fishing Industry (Conservation of Conch (Genus Strombus)) Regulations, 2000;

(c) a licence to fish granted by the Licensing Authority pursuant to the Fishing Industry Act;

(d) a licence to operate a fishing vessel or proof that the vessel to be used by the applicant is licensed pursuant to the Fishing Industry Act;

(e) a licence to operate a freezer vessel or, proof of the issuance of such licence in respect of the vessel used by the applicant pursuant to section 12 of the Aquaculture, Inland and Marine Products and Byproducts (Inspection, Licensing and Export) Act, 1999; and

(f) a licence to export prescribed products or enter prescribed products for export pursuant to the Aquaculture, Inland and Marine Products and Byproducts (Inspection, Licensing and Export Regulations, 2000; and
4.—(1) The Management Authority shall not grant an Individual Export Quota unless it is satisfied that the applicant—

(a) has been duly granted an Individual Conch Quota pursuant to the Fishing Industry (Conservation of Conch (Genus Strombus)) Regulations, 2000; and

(b) does not intend to export any amount of conch in excess of the amount allocated to him in his Individual Conch Quota.

(2) For the purpose of paragraph (1) (b) the Management Authority shall calculate the weight of conch to be exported using such conversion factor as shall be determined by the Minister responsible for agriculture pursuant to the Fishing Industry (Conservation of Conch (Genus Strombus)) Regulations, 2000.

(3) All applications for individual export quotas shall be made before the beginning of the close season for conch.

(4) Notwithstanding paragraph (1), where the applicant has harvested conch to be exported prior to applying for an Individual Export Quota the Management Authority shall, before granting the quota ensure that the—

(a) harvesting and storage of conch by the applicant are consistent with the relevant provisions of the Endangered Species (Protection, Conservation and Regulation of Trade) Act, the Fishing Industry Act and the Aquaculture, Inland and Marine Products and By-Products (Inspection, Licensing and Export) Act and the relevant provisions of any other applicable legislation; and

(b) conch was harvested and stored before the start of any close season declared.

5.—(1) Neither the certificate regarding each Individual Export Quota granted by the Management Authority nor the individual allocation of export quota shall be transferable.

(2) The certificate and quota referred to in paragraph (1) shall each be valid for such period as is specified in the certificate.
(3) A certificate shall be in the form set out as Form 2 in the Schedule; so, however, that the Management Authority may, in its sole discretion grant an individual export quota subject to such conditions as it deems fit, either prior to harvesting or after harvesting and storage of conch and may adjust the Form accordingly.

6. The Management Authority shall keep a register containing the following information—

(a) the amount of 50% cleaned conch exported for each conch season;
(b) the Individual Conch Quotas held by each exporter;
(c) the names and addresses of all exporters to whom export permits have been granted; and
(d) any other information that the Authority considers necessary in relation to the export of conch.

7. An authorized officer may at any reasonable time of day enter any premises in which conch is stored and may—

(a) inspect the premises;
(b) examine any conch meat found therein.

8. Any person who is dissatisfied with a decision of the Management Authority to grant or refuse to grant an Individual Export Quota may appeal under section 37 of the Act in the manner specified therein.
THE ENDANGERED SPECIES (PROTECTION, CONSERVATION AND REGULATION OF TRADE) (ESTABLISHMENT OF INDIVIDUAL EXPORT QUOTA (CONCH, STROMBUS GIGAS)) REGULATIONS, 2000

SCHEDULE

FORM 1 (Regulations 3 and 5)

Application Form for Individual Export Quota for Queen Conch (Strombus gigas)

Name of Applicant: ____________________________________________________________

Address of Applicant: __________________________________________________________

Please Print or Type

Telephone No.: __________________________________ Fax No.: ______________________

TRN No.: ___________________________________________ E-Mail: ____________________

We hereby apply for an Individual Export Quota to export ___________________ kilograms of 50% cleaned Strombus gigas (Queen Conch) Fishing year ___________. State the address of the premises or facilities where conch is currently stored (if applicable).

Attach the following documents—

(1) A Certificate of the Individual Conch Quota Allocation issued pursuant to the Fishing Industry (Conservation of Conch (Genus Strombus)) Regulations 2000

(2) A copy of a Fishing Licence granted by the Licensing Authority pursuant to the Fishing Industry Act.

(3) A Licence to operate a fishing vessel or proof of use of a licensed vessel under the Fishing Industry Act.

(4) A Licence to operate a freezer vessel or proof of use of such a vessel pursuant to the Aquaculture, Inland and Marine Products and By-Products (Inspection, Licensing and Export) Act.

(5) A Licence to Export or Enter Prescribed Products for Export pursuant to the Aquaculture, Inland and Marine Products and By-Products (Inspection, Licensing and Export) Regulations, 2000.

APPLICANT’S DECLARATION

I hereby certify that—

(a) I have read and am familiar with the Endangered Species (Protection, Conservation and Regulation of Trade) Act and the Regulations made thereunder;

(b) The information contained in this application is true to the best of my knowledge and belief; and

(c) I understand that any misrepresentation found to be contained in this application during its processing shall lead to the discontinuation of the processing thereof.

Signature of Applicant: _________________________________________________________

Date: ____________________________________________________________

In the case of an application by a company, an authorized officer must sign the application form and the company’s seal must be affixed.

THE ENDANGERED SPECIES (PROTECTION, CONSERVATION AND REGULATION OF TRADE) (ESTABLISHMENT OF INDIVIDUAL EXPORT QUOTA (CONCH, STROMBUS GIGAS)) REGULATIONS, 2000

SCHEDULE, contd.

THE ENDANGERED SPECIES (PROTECTION, CONSERVATION AND REGULATION OF TRADE) ACT

FORM 2

Individual Export Quota (Conch, Strombus gigas) Certificate

Certificate No.:__________

In exercise of the power conferred on the Management Authority pursuant to Regulations 4 and 5 of the Endangered Species (Protection, Conservation and Regulation of Trade) Establishment of Individual Export Quota (Conch, Strombus gigas) Regulations, 2001, the Individual Export Quota (Conch, Strombus gigas) is hereby granted to:

Name of Company/Exporter

For the quantity of __________________________ fifty per cent (50%) cleaned Conch (Strombus gigas).

Subject to the following conditions:—

1.________________________________________

2.________________________________________

3.________________________________________

This Certificate is issued by:

Management Authority

Date of Issue

Valid Until

[The inclusion of this page is authorized by L.N. 95/2013]
1.—(1) These Regulations may be cited as the Endangered Species (Protection, Conservation and Regulation of Trade) Regulations, 2000.

(2) These Regulations shall apply to any species for which a national quota has been determined pursuant to section 15 (1) (f) of the Act.

(3) The forms set out in the Second Schedule apply in the case of all species, whether or not such species are under quotas determined pursuant to section 15 (1) (f) of the Act.

Applications for Permits and Certificates

2. An application for the issue of a permit or certificate, as the case may require, to import, export or re-export plant specimens pursuant to the Act shall be made in the form specified as Form 1 in the First Schedule and accompanied by the relevant fee specified in regulation 4.

3. An application for the issue of a permit or certificate, as the case may require, to import, export or re-export animal specimens pursuant to the Act shall be made in the form specified as Form 2 in the First Schedule and accompanied by the relevant fee specified in regulation 4.

4. An application under regulation 2 or 3 shall be accompanied by application fees as follows—

(a) $500.00 in respect of an import permit;

(b) $1000.00 in respect of—
(i) an export permit;

(ii) a re-export certificate; and

(iii) a certificate for artificial propagation and breeding in captivity.

5.—(1) A permit to export a specimen of a species granted by the Management Authority shall not be transferable and shall be valid for such period as is specified therein, being a period not exceeding three months.

(2) An applicant shall be required to apply for an export permit in respect of each consignment.

6. An application for an introduction from the sea certificate pursuant to section 23 or 27 of the Act shall be made in the form specified as Form 3 in the First Schedule hereto and shall be accompanied by a fee of five hundred dollars.

7. An application for the issue of a certificate under section 5 (2) (b) of the Act (hereinafter referred to as a Pre-Convention certificate) in relation to specimens acquired before the relevant provisions of the Convention applied to them shall be made in the form specified as Form 4 in the First Schedule and shall be accompanied by a fee of one thousand dollars.

8. An application for the issue of a Certificate of Origin shall be in the form set out as Form 5 in the First Schedule and shall be accompanied by a fee of five hundred dollars.

9.—(1) A permit shall be in the form set out as Form 1 in Part I of the Second Schedule hereto.

(2) A certificate shall be in the form set out as Form 2 or 3, in Part II of the Second Schedule hereto.

10. Where a specimen—

(a) forms part of a travelling live exhibition; and

(b) is covered by a Pre-Convention certificate,
any certificate issued under these Regulations in respect of such specimen, shall specify that the animal or plant specimen referred to therein belongs to a named travelling animal or plant exhibition.

11.—(1) Every person who imports, exports or re-exports any specimen specified in the First, Second, Third or Fourth Schedule of the Act shall, prior to the clearance or despatch of the specimen, present the appropriate permit or certificate, as the case may be, for processing to the Commissioner of Customs at the point of entry or departure.

(2) The Commissioner of Customs shall forward a copy of every permit or certificate referred to under paragraph (1) to the Management Authority.

12. It shall be a condition of every export permit and re-export certificate that the specimen to which it relates shall be shipped in accordance with the provisions of the International Air Transport Association Live Animals Regulations.

13.—(1) Where the validity of a permit or certificate has expired, such permit or certificate shall be null and void.

(2) Where a permit or certificate is issued to an applicant but will expire before it reaches its final destination, the applicant shall, at least fourteen days before the expiry of that permit or certificate, apply for another permit or certificate to cover the period upon and following its arrival.

14. Every copy of a permit or certificate issued by the Management Authority shall be clearly marked as copied and, except to the extent endorsed thereon, no such copy shall be used in place of the original.

15. Where a specimen is being imported into Jamaica, the Management Authority shall cancel and retain the export permit or re-export certificate issued in the State from which the specimen is exported or re-exported and any corresponding import permit presented in respect of the import of the specimen.
16. Every register shall contain—

(a) the name of the person to whom the permit or certificate is granted;

(b) the type of permit or certificate;

(c) the date on which the permit or certificate is granted and renewed;

(d) the date of expiration of the permit or certificate;

(e) the date and reason for revocation and suspension of the permit or certificate and in respect of suspension the period thereof;

(f) the specimen or class of specimen of flora and fauna in respect of which the permit or certificate is given;

(g) the number of the permit or certificate;

(h) any remarks relating thereto.

17.—(1) Permits or certificates referred to in regulations 2, 3, 6, 8 and 9 shall be issued on payment of the following fees—

Other Certificates

7. Artificial Propagation Export Certificate—
   (a) in respect of 4 or fewer exported specimens \( \ldots \) \$1,000.00
   (b) in respect of at least 5, but no more than 17 exported specimens \( \ldots \) \$2,000.00

8. Breeding in captivity Certificate—
   (a) in respect of 4 or fewer exported specimens \( \ldots \) \$1,000.00
   (b) in respect of at least 5, but no more than 17 exported specimens \( \ldots \) \$2,000.00

(1A) An applicant for an export or import permit or re-export certificate may apply for a maximum of seventeen specimens on each permit or certificate; and where the applicant wishes or intends to import, export or re-export more than seventeen such specimens, he shall submit an additional application for specimens in excess of those seventeen specimens.

   (2) A fee of fifty dollars is payable in respect of each copy or an entry in a register kept pursuant to section 38 of the Act.

18. Where the Management Authority incurs costs including—
   (a) travelling to and inspection of the applicant’s facility;
   (b) the identification, by an expert, of specimens and the use thereof;
   (c) the use of identification tags or micro-chips; or
   (d) such other reasonable costs as the Management Authority may have incurred in the processing and issuing of permits, the applicant shall reimburse the Authority for such costs incurred.

1. These Regulations may be cited as the Endangered Species (Protection, Conservation and Regulation of Trade) (Conch, Strombus gigas) Regulations, 2000.

2. An application for the issue of a permit or certificate, as the case may require, to import, export or re-export conch (Strombus gigas) opercula, shells or other by-products pursuant to the Act shall be made in the form specified in the Schedule hereto and accompanied by the fee specified in regulation 3.

3. An application under regulation 2 shall be accompanied by an application fee of $1,500.

4.—(1) A permit to export conch (Strombus gigas) opercula, shells or other by-products granted by the Management Authority shall not be transferable and shall be valid for such period as is specified therein, being a period not exceeding three months.

(2) An applicant shall be required to apply for an export permit in respect of each consignment.

5.—(1) Every person who imports, exports or re-exports conch (Strombus gigas) opercula, shells or other by-products shall, prior to the clearance or dispatch of the conch (Strombus gigas) opercula, shells or other by-products, present the appropriate permit or certificate for processing to the Commissioner of Customs at the point of entry or departure.

(2) The Commissioner of Customs shall forward a copy of every permit or certificate referred to in paragraph (1) to the Management Authority.

6. Where the validity of a permit or certificate has expired, such permit or certificate shall be null and void.
7. Every copy of a permit or certificate issued by the Management Authority shall be clearly marked as copied and, except to the extent endorsed thereon, no such copy shall be used in place of the original.

8. Where conch (Strombus gigas) opercula, shells or other by-products is being imported into Jamaica, the Management Authority shall cancel and retain the export permit or re-export certificate, as the case may be, issued in the State from which the specimen is exported or re-exported and any corresponding import permit presented in respect of the import of the conch (Strombus gigas) opercula, shells or other by-products.

9.—(1) Every Register for the registration of conch (Strombus gigas) opercula, shells or other by-products shall contain—

(a) the name of the person to whom the permit or certificate, as the case may be, is granted;

(b) the type of permit or certificate;

(c) the date on which the permit or certificate, as the case may be, is granted and renewed;

(d) the date of expiration of the permit or certificate;

(e) the date and reason for revocation and suspension of the permit or certificate, as the case may be, and in respect of suspension the period thereof;

(f) the number of the permit or certificate;

(g) any remarks relating thereto.

(2) A fee of fifty dollars is payable in respect of each copy or an entry in a register kept pursuant to section 38 of the Act.

10. Permits or certificates referred to in regulation 2 shall be issued on payment of the following fees—

<table>
<thead>
<tr>
<th>Permits/Certificate</th>

SCHEDULE

Application Form for Export/Import/Re-export of Strombus gigas (Queen Conch) Opercula, Shells and other By-Products per Shipment

- Import permit
- Export permit
- Re-export certificate

Application No.

1. Name of Applicant

Please Print or Type

2. Address of Applicant:

3. Telephone No. ______ Fax No. ______ E-mail ______

4. Name of Consignee

5. Address of Consignee

City/State ____________ Zip Code ____________

Country ____________

6. Indicate the quantity of processed Strombus gigas (Queen Conch) meat, opercula, shells or other by-products to be exported/imported/re-exported in each shipment.
   a. Queen Conch Meat:
      Number of cases ________ degree processed ________ total weight (in kilograms) ________
   b. Opercula:
      Number of cases ________ total weight (in kilograms) ________
   c. Shells:
      Number of shells ________ name of collection site ________ date of collection ________
   d. Other By-Product:
      Number of by-product ________ name of by-product ________ other relevant information ________

7. Indicate the date of proposed shipment: Day ______ / Month ______ / Year ______

8. State the address of the premises/facilities where Queen Conch or opercula or shells or other by-products are currently stored.

Note: A separate application is required for each shipment.

APPLICANT’S DECLARATION

I hereby certify that I have read and I am familiar with the Endangered Species (Protection, Conservation and Regulation of Trade) Act and the Regulations made thereunder.
